

Won't Stop Chasing Rainbows  
(Written in collaboration with David Swann)

Won't stop chasing rainbows,  
Won't give up the dream,  
Let the storm clouds gather,  
They're never what they seem.

*Chorus*  
*Raining down on me,*  
*Raining down on me,*  
*Forget the wind and weather,*  
*Raining down on me.*

Never look for answers,  
You got me at hello,  
Didn't plan the moment,  
When I let you go.

*Chorus*

Take life as it finds you,  
No sitting in the shade,  
Y'not sugar, rain won't melt you,  
Or stop you being brave.

*Chorus*

Don't walk in the shadows,  
Only see the light,  
Life is there for living,  
Won't give up without a fight.
